A Clinical Guide to the Body in Chinese Medicine:.....	1
History and Contemporary Practice.....	1
Preface.....	6
Introduction.....	8
The story so far.....	11
TCM in the West.....	16
Chapter One: History and Practice.....	19
Science and integration.....	20
Scholarship and research.....	22
The book's purpose.....	26
Chapter Two: Tradition.....	30
The roots of the tree.....	32
Classical representations of the medical body.....	36
Terms and concepts.....	42
Numerical models.....	48
Chapter Three: Body.....	56
The body as microcosm.....	58
Potentials and manifestations.....	62
The story of Chinese anatomy.....	66
Embodiment.....	71
Chapter Four: Coursing and Discharge.....	78
Visceral manifestations theory.....	80
The liver: the 'learned general', the zàng of wood, the reverting yīn.....	85
Terms and clinical applications.....	89
Stagnation and constraint.....	94
Chapter Five: Spaces and Textures.....	99
The sān jiāo: the 'water administration official', the fǔ of fire, the lesser yáng....	101
Form and no form.....	104
The body surface and interior.....	111
Disorder and therapy.....	115
Mapping qì concepts and influences.....	120
Chapter Six: Emotions and Desires.....	124
Physiological fire.....	127
The pericardium and lifegate.....	130

The minister fire.....	136
Function and dysfunction	140
The Ming and Qing.....	146
Chapter Seven: Mind.....	154
Ancestors, instincts, awareness.....	156
Human mentality.....	161
The embodied self.....	166
History and contemporary practice.....	170
Chapter Eight: Concluding Remarks.....	180
The body–person in Chinese medicine.....	181
Chinese health care practices in the West today.....	186
Appendix A: Glossary of Chinese terms, texts and names.....	189
Appendix B: China’s dynasties and relevant medical texts, authors and physicians.....	221
References.....	224
Index.....	245

List of Charts, Tables and Illustrations

An Early Copy of the Nan Jing.....	11
Diagram showing the qi influences and manifestations of the Heaven-Earth-Humanity triad	35
Table 2.1: Terms and translations.....	43
Tables 2.2: Numerical models a, b & c.....	48
Tables 2.2: Numerical models d & e	49
Diagrams depicting the permutations of yin and yang, heaven and earth, fire and water, and the maps of the Yellow and Luo Rivers that incorporate references to ancient mythologies, the five phases and compass directions	55
Table 3.1: the zàng fǔ’s yīn - yáng and five phase correspondences.....	58
Diagram 3.1.....	59
Anterior and posterior diagrams of the zang-fu, the yin and yang internal organs	61
Figure 3.1: Images believed to be derived from the dissections in 1045	66
Figure 3.2: Wang Qingren’s views of the internal organs (Fu 2008, p. 1056)	68
Daoist Inner Cultivation.....	72
Essential Formula for Painful Diarrhoea (痛泻要方 Tong Xie Yao Fang).....	89
Table 5.1 The five yīn and six yáng organs, and the miscellaneous organs.....	101
Free the Liver, Engender Milk Decoction (通肝生乳汤 Tong Gan Sheng Ru Tang).....	92
Table 5.1 The five yīn and six yáng organs, and the miscellaneous organs.....	101
Diagram 5.1 The movement of qì through the channels.....	104
Table 5.2: The five zàng (yīn visceral systems) and their body tissue correspondences.....	105
Table 5.3: The six channels.....	111
Ephedra Decoction (麻黄汤 Ma Huang Tang).....	115
Cinnamon Twig Decoction (桂枝汤 Gui Zhi Tang).....	115
Reach the Source Drink (达原饮 Da Yuan Yin).....	117

Chart of urinary bladder channel points on the lower limbs – wěi zhōng(BL40), kūn lún(BL60), jīng gǔ(BL64), shù gǔ (BL65), tōng gǔ(BL66), zhì yīn (BL67)	119
Table 6.1: Timeline for minister fire associations.....	128
Table 6.2: The five phases and twelve channels; sān jiāo associations are in bold.....	131
Table 6.3: The five circulatory phases and six seasonal influences.....	136
Table 6.4: The kidneys as the basis of water and fire.....	136
Supplement the Middle and Build the Qi Decoction (补中益气汤 Bu Zhong Yi Qi Tang).	141
Great Tonify the Yin Formula (大补阴汤 Da Bu Yin Tang).....	144
Right Restoring (Lifegate) Pill (右归丸 You Gui Wan).....	146
Free Wanderer Powder (逍遥散 Xiao Yao San).....	147
Table 7.1: Five phase correspondences.....	159
Pinellia and Magnolia Bark Decoction (半夏厚朴汤 Ban xia hou po tang).....	170
Licorice, Wheat, and Jujube Decoction (甘麦大枣汤 Gan mai da zao tang).....	171
